# PROGRAMS

## WENATCHEE RIVER SALMON FESTIVAL

Our largest & longest running multi-day annual event that educates over 6,000 students and attendees every year about Salmon and the important connections between humans and nature.

[www.salmonfest.org](http://www.salmonfest.org)

## KIDS FISHING DAYS

Free community events that provide instruction and fishing equipment for hundreds of attendees at multiple hatcheries every year.

## SALMON IN THE CLASSROOM

Hundreds of students across the Northwest learn about the Salmon life cycle by raising them for release.

## OUTDOOR RECREATION OPPORTUNITIES

National Fish Hatcheries offer special opportunities for recreating, connecting with nature, and enjoying the outdoors. Experiences include free guided snowshoe hikes.

## STUDENT SCHOLARSHIPS

Awarded annually to students pursuing higher education in natural resources (i.e. fisheries, forestry, ecology, etc).

AND MORE...

# OUR MISSION

"Working with US Fish & Wildlife Hatcheries of the Northwestern United States, the Friends of NW Hatcheries support fish and wildlife conservation and education while engaging students and communities to be active stewards."

## FOUNDED IN 1994
